Professional Experiences

2009. Graphic Designer, Center for Social Innovation.

Participated in all aspects of internal design department. Sole in-house designer at C4SI, in charge of vendor-relations, live-event management, day-to-day operations of design-related materials for various contracts.

2009. Graphic Designer, Biomedical Research Institute, Brigham Women's Hospital. Collaborated with Communications Department creating new design themes applied across a variety of media, including information design, brochure design, and website design.

2008 - 2009. Design Intern, Cambridge Arts Council. Translated subject matter into design concepts for promotional materials. Designed logos, identities, brochures and flyers for gallery exhibits and workshops.

2008 - 2009. Designer, Culture's Edge. Performance arts organizer in Cambridge, MA and San Diego, CA. Developed logo and identity systems directly resulting in increased exposure and participation of performance artists.
